

## **New Zealand Transport Agency –Advisory Opportunities!**

- **Are you customer focused, collaborative and curious?**
- **Be challenged to learn, grow and share your knowledge**
- **Your work will be valued, trusted, stimulating and complex**

At the NZ Transport Agency, we're transforming our organisation because the world is changing and we are working to better meet the needs of New Zealand. Technology is making rapid changes to the way people connect and the transport choices we have, and customers and business want faster, easier and more personalised transport services. We're transforming so we can make the most of the future opportunities for New Zealand – join us!

We are currently seeking to expand our advisory capabilities across the Investment & Finance and Systems Design groups.

### **Investment and Finance Group Opportunities:**

- Senior Advisor Treasury
- Principal Investment Advisor
- Lead Advisor Market Analysis
- Lead Advisor Economic Evaluations

### **Systems Design and Delivery Group Opportunity:**

- Senior Advisor Partnership Investments

In return we are offering a competitive salary, a professional and committed team, and an excellent working environment that provides flexible employment practices. Come and help us build our new culture that is focused on being Collaborative, Customer Focused and Curious; we would love to hear from you!
