

First Call for Papers
62nd New Zealand Association of Economists Annual Conference
To be held at Victoria University of Wellington
June 29th to July 1st, 2022 (Wed, Thurs, Fri)

The New Zealand Association of Economists is pleased to announce the First Call for Papers for its 62nd Annual Conference. Abstracts can be submitted [here](#).

Please submit an abstract of not more than 250 words of your paper for either an oral presentation or the poster session. Full papers are not required at this stage, but for a paper to be considered eligible for the *Statistics New Zealand*, *New Zealand Economic Policy*, *Seamus Hogan*, *David Teece* or *Stata* prizes, a full paper must be submitted by Wednesday 6th June.

We encourage individuals to present their research in the poster session. Some research is particularly suited to the visual style of a poster presentation; it can also be suitable for work in progress, speculative research, and student research.

You are welcome to submit up to three papers. If we are only able to accept one of the submissions, we will contact you to ask which paper you prefer to present. This limit applies to the number of papers *presented* by any one person, and not to the number of papers on which he or she is a co-author.

Please note that **presenters** whose papers are accepted for an oral or poster presentation **MUST REGISTER for the Conference by 13th MAY** to remain on the programme. Registration fee is non-refundable after this date.
